4. School Board Trustee Report: - Robyn couldn't come this evening but told Carmen that next month, November 21<sup>st</sup> is Council of School Councils meeting which is a Parent Engagement session, focusing on mental health and would like parent input so as many people who could go would be great! Will be having an informal open house at Grimshaw office October 22<sup>nd</sup> 7-9.

5. Principal Report: – presented by Ms. Krol. Mrs Green is out of office on critical illness leave due to family emergency. Substitute teacher booked to cover instructional duties and Ms Krol is covering the office. Busy few weeks. Student Council has been elected, true to promise new President dyed his hair blue. School sports going on during lunch, volleyball teams looking into going to a couple tournaments. Grade 5 class remains large as provincial budget still in limbo. Still having temporary substitute at this time but teachers are working together well and students seem engaged and happy. Report cards will be sent out November 22<sup>nd</sup>. PTI set for November 26<sup>th</sup> and 28<sup>th</sup>. Toonie Carnival for October 31 requires interested party to take over haunted house. Ms Krol has said that if a staff member doesn't show interest soon then parent volunteers would be greatly appreciated to design theme/set up/take down etc as she is trying to step back but still wants the tradition to continue!

#### 6. Old Business:

a. South side of school signage –have noticed improvement in south side stop signs but motorists still seem confused over stop signs and crosswalk at the east side of building. Ms Krol showed a picture of a sandwich board style sign that lets parents know to not park in the parking lot. Parents felt it was a perfectly appropriate sign to look into getting in addition to the pylons.
