

# EE Oliver Playground Upgrade Contributors & Volunteers 2008 - 2014

## What will the Recognition Sign look like?

Below is a *DRAFT view* of the proposed sign.

Note: the names on this image have been blacked out but are listed by category in charts below.

## Sign Details:

- One side of the sign will be for Donor/Sponsors and the other for Contributors/Volunteers.
- The signs will be mounted back-to-back. The 2 pieces will be glued to a middle aluminum backing to make it sturdy and provide vertical aluminum angles that will get screwed to the 2 posts.
- The signs will be engraved from the back so that the face of it is smooth and if there's any vandalism, graffiti, it can be cleaned with whatever chemical without affecting the engraving.
- The sign will be mounted between two powder coated posts that will be cemented into the ground.

## **Next Steps:**

Now that the Playground is complete, we are ready to have the sign made. We have kept a list of all donors, sponsors, contributors, volunteers. BUT that doesn't mean the information we have is 100% accurate; some names were difficult to read on the sign-in sheets, some volunteers didn't sign in, and I (Connie Kramer) am human and may have missed something or made a mistake when I re-typed and gathered the information☺. Please be understanding while we work to make corrections.

We need your help!

**Please review the list for omissions, errors, spelling mistakes, etc. If you have something to add or something that we need to correct, update, or change, this is your opportunity.**

Please e-mail all corrections to Connie Kramer at [kramerc@prsd.ab.ca](mailto:kramerc@prsd.ab.ca) no later than March 31, 2014.

### **Platinum Sponsors (over \$1,000)**
