LEARNING STARTS WHEN STUDENTS SHOW UP

Attendance Matters

Multiple years of pandemic learning have resulted in a culture of in-and-out of the classroom education. As a result, the Peace River School Division continues to see significant numbers of students absent on any given day. Between the start of the current school year and the end of January, our data shows approximately 17% or approximately 538 PRSD students do not attend school on Fridays and between 11% and 14% (348 - 444 students) are absent Monday through Thursday.

The same data shows that 48.5% of our students attend school less than 90% of the time. Why does this matter? Research shows that students who attend school at least 90% of the time are more likely to graduate Grade 12 within the typical timeframe of three to five years.

At the Peace River School Division, we know **Learning Starts When Students Show Up**. We also know that attendance is deeply personal, and the reasons why students miss school are unique and sometimes complex. Because of this we have developed an acronym to help us communicate why regular school attendance is so important to overall student success.

Questions for discussion

1. What concerns about student cellphone use in schools does your organization have?
2. What does your organization see as the benefits of student cellphone use in schools?
3. What concerns do you have about potential restrictions on student cellphone use in schools?
4. What benefits do you see with potential restrictions on student cellphone use in schools?
5. What concerns do you have about province-wide restrictions around student cellphone use in schools?
6. What benefits do you see in having province-wide restrictions around student cellphone use in schools?
7. Is there anything the department should be aware of if school authorities were asked to amend their codes of conduct to restrict cellphone use in schools?
8. Is there anything the department should be aware of if school authorities were asked to adopt or approve goals and standards to restrict cellphone use in schools?
9. If the department requires school authorities to amend codes of conduct or adopt/approve goals and standards related to cellphone use, how much lead time is required to make this happen?
10. Ontario and Quebec have exceptions to their cellphone use restrictions (unless authorized by a teacher for educational purposes; for health and medical reasons; or to support special education needs.) Would you support similar exceptions if a cellphone restriction were implemented? Are there other exceptions to be considered?
11. Are there any other considerations regarding cellphone use in schools that should be considered in developing a policy?
12. Is there anything else you would like to share about cellphone use in schools?

WILDFIRE PREPAREDNESS

AS YOU ARE AWARE, ALBERTANS CAN RECEIVE MESSAGES ABOUT LIFE-THREATENING EMERGENCIES, SUCH AS TORNADOES, WILDFIRES, FLOODS, OR AMBER ALERTS, DIRECTLY TO THEIR CELL PHONES. THIS WIRELESS PUBLIC ALERTING IS A NATIONAL INITIATIVE THAT WORKS WITH THE ALBERTA EMERGENCY ALERT SYSTEM TO SEND POTENTIALLY LIFE-SAVING EMERGENCY INSTRUCTIONS TO ALL CONNECTED/COMPATIBLE CELL PHONES IN THE THREATENED COMMUNITY.

ON WEDNESDAY, MAY 8, 2024, AT 1:55 P.M., THE NATIONAL PUBLIC ALERTING SYSTEM WILL SEND A TEST ALERT ACROSS ALBERTA TO ALL BROADCAST PLATFORMS. DURING THE TEST, AN ALERT WILL GO OFF FOLLOWED BY A TEXT MESSAGE LETTING CELL PHONE USERS KNOW THE SOUND IS PART OF A TEST AND THERE IS NO NEED FOR CONCERN.

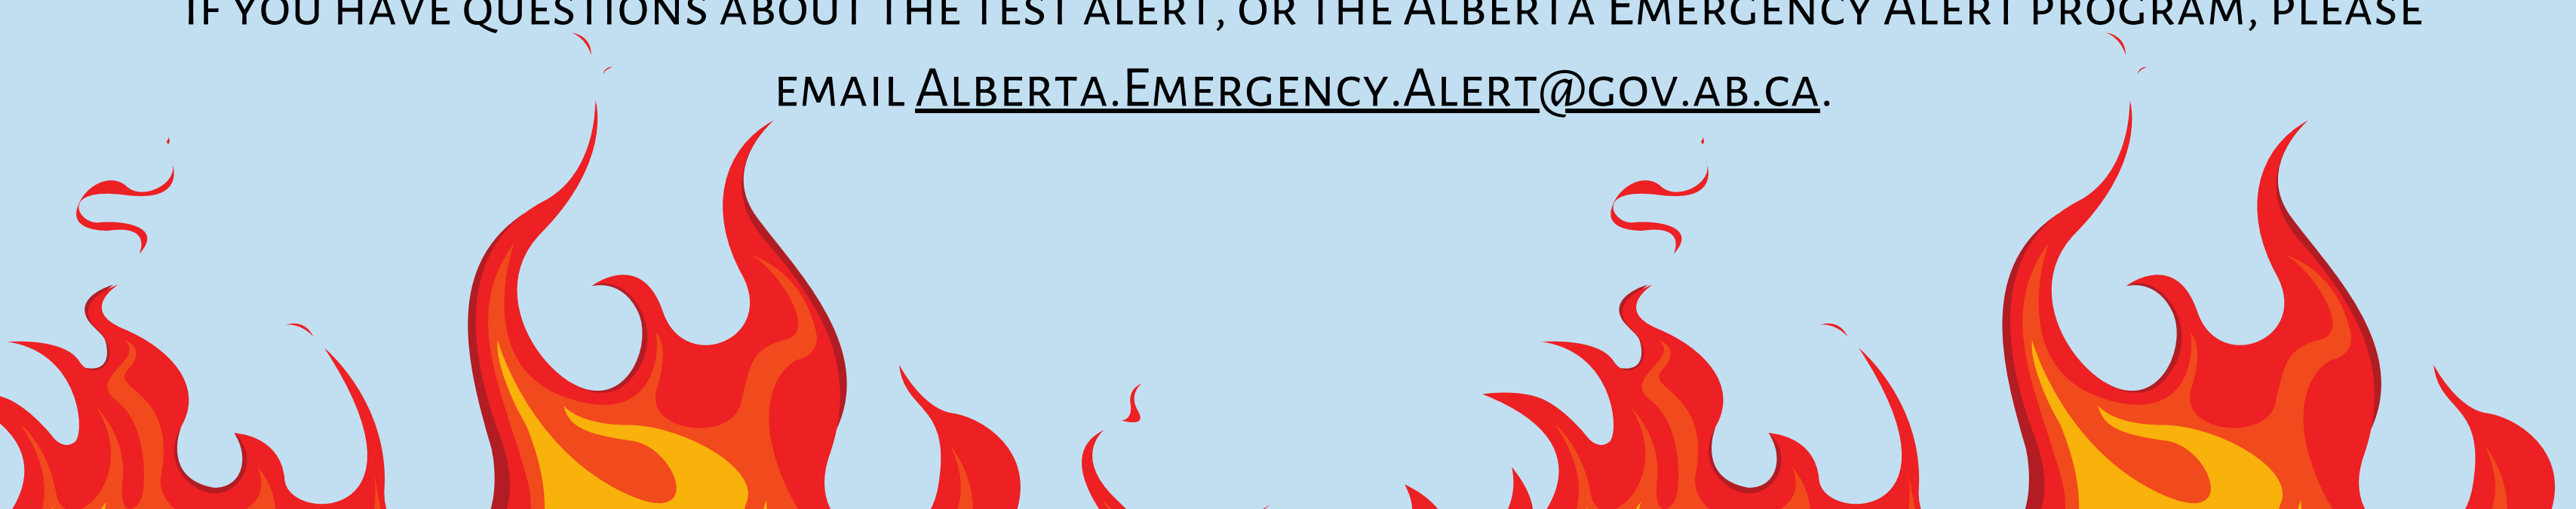

AS THESE TEST ALERTS CAN SERVE AS AN IMPORTANT TEACHING MOMENT WITH ALBERTA'S YOUTH, I ENCOURAGE YOU TO REVIEW THE ATTACHED ACTIVITY GUIDE AND CONSIDER WAYS THIS INFORMATION CAN BE INCORPORATED INTO THE CLASSROOM. THIS INITIATIVE HELPS EMPOWER STUDENTS TO HAVE A CONVERSATION WITH MEMBERS OF THEIR HOUSEHOLD ABOUT HOW READY THEY WOULD BE IF THE ALERT WERE REAL, AND WHAT STEPS THEY CAN TAKE TOWARDS BECOMING MORE PREPARED.

SCHOOLS CAN ALSO USE THIS OPPORTUNITY TO SCHEDULE A PRACTICE DRILL THAT COINCIDES WITH THE ALERT AND TO SEND STUDENTS HOME WITH PREPAREDNESS INFORMATION THAT WILL GENERATE DISCUSSIONS WITH THEIR HOUSEHOLDS. ALBERTA'S GOVERNMENT HAS CREATED THE BE PREPARED PROGRAM TO SUPPORT THIS WORK. WATCH THIS [1-MINUTE VIDEO](#) AND VISIT [ALBERTA.CA/COMMUNITYPREP](https://www.alberta.ca/communityprep) FOR RESOURCES TO HELP.

WIRELESS PUBLIC ALERTS ARE DELIVERED DIRECTLY TO COMPATIBLE CELL PHONES THAT ARE CONNECTED TO AN LTE NETWORK WITHIN AN AREA AFFECTED BY A DISASTER OR EMERGENCY. FEDERAL LAWS REQUIRE THESE ALERTS, SO IT IS NOT POSSIBLE FOR CANADIANS TO OPT OUT OF RECEIVING LIFE-SAVING MESSAGES DIRECTLY TO THEIR CELL PHONES. FIND OUT IF YOUR CELL PHONE IS COMPATIBLE BY CHECKING WITH YOUR CELL PHONE PROVIDER OR ONLINE AT [WWW.ALERTREADY.CA](https://www.alertready.ca).

TO LEARN MORE ABOUT EMERGENCY PUBLIC ALERTING IN ALBERTA, VISIT [WWW.ALBERTA.CA/ABOUT-EMERGENCY-ALERTS](https://www.alberta.ca/about-emergency-alerts).

IF YOU HAVE QUESTIONS ABOUT THE TEST ALERT, OR THE ALBERTA EMERGENCY ALERT PROGRAM, PLEASE EMAIL ALBERTA.EMERGENCY.ALERT@GOV.AB.CA.

National Test Alert Day

A guide for teachers

Opportunity to build resilience

Twice per year, in November and May, Canada's emergency alerting system (Alert Ready) issues test messages to participating provinces and territories through various platforms, including; radio, television, the Alberta Emergency Alert mobile application, including broadcast-intrusive messages directly to compatible smartphones.

During the test, the critical alert siren will go off with a message to Albertans confirming the alert is a test of the system and there is no need for concern. The test is an opportunity for all of us to practice preparedness when the risk is low so we are ready to respond when the risk is high. This guide will help educators across Alberta use the national test alert as a teaching moment in classrooms. The test alert creates space to discuss preparedness in the classroom and to encourage students to go home and have a conversation with their household about developing or updating their own emergency plan.

Watch this 1-minute video to learn more: <https://youtu.be/hVLW7E41BzQ>

Suggestion for in-class discussion

1. The morning of [test alert day](#). Advise the school or classroom that the national emergency alerting system is being tested and the school will be using the test alert to build preparedness skills and knowledge with students.
2. Following the test alert at 1:55 p.m. conduct an activity. Options include:
 - Facilitate a classroom discussion using the activity guide on page 2. Adjust the activities to fit your classroom.
 - Practice a school wide drill and send students home with information about the school's emergency plan.
 - Hold a school wide assembly focused on preparedness and resilience, invite guest speakers to share stories and inspire preparedness actions.
3. Key learning objective. Empowering students to see that they have the skills they need to manage unexpected situations. Let's practice preparedness together so we're ready for anything.
4. Key outcome. Encouraging students to share preparedness concepts with their household. Providing the students with an emergency kit checklist from alberta.ca/CommunityPrep to help them start their preparedness journey at home.

WE ARE LOOKING FOR CEREAL DONATIONS!

Our student wellness team is looking for donations of cereal for our breakfast program and our local food bank! Our goal is to collect enough boxes to create a huge cereal box dominoes through the school!!!

Did you know that the Fairview Food Bank hands out approximately 1200 boxes of cereal in a year?!

Did you know that our school goes through approximately 200 boxes of cereal a year?

Help us make a difference while having a whole lot of fun!
Our goal is to collect 1400 boxes of cereal!!!

Mrs. Rushton and her wellness team are taking on a big project starting in April and need your help!

Did you know that our breakfast program goes through around 200 boxes of cereal each year?

And our local food bank goes through 1200!

Well we want to try and collect enough cereal to give back to both of these amazing programs!

But before we donate them to each of the above programs we want to have some fun! We hope to make a large cereal domino spiral design in the gym for the whole school to see!

We will be collecting cereal from April to June, a donation box will be at Freson Bros in April and we will also have a bin here at the school.

THANK YOU

BOOK RECOMMENDATIONS FOR FANTASY READERS

BY HAZEL ASH

Keeper of the lost cities
Shannon Messenger

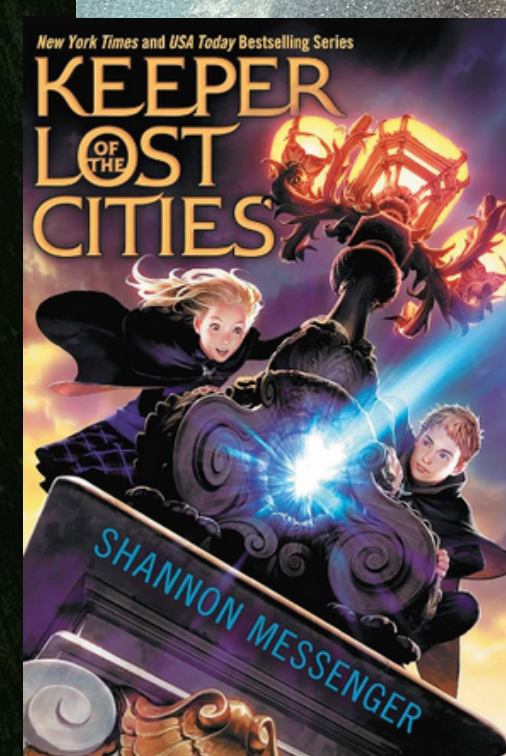

This is my favorite book series! There are 10 books and 1 more coming out in November and at least 1 more coming out after that. They are quite long, so fair warning. The plot is complicated and there are a lot of plot twists and no coincidences, although there are some plot holes. Follow Sophie and her friends as she finds out who she is, and how powerful she is destined to be.

Harry Potter
J.k. Rowling

These are a classic for fantasy readers but if you haven't read them go do it! They are amazing. There are seven books and they are all different lengths but the first three are actually pretty short (the first one is the shortest). The wizarding world awaits!

Percy Jackson
Rick Riordan

These are what I'm currently reading and so far they are really good! There are five books and none of them are that long. 12 years old, diagnosed dyslexic with ADHD, son of a Demigod? Percy Jackson's world turns upside down when he finds out the truth about who he is!

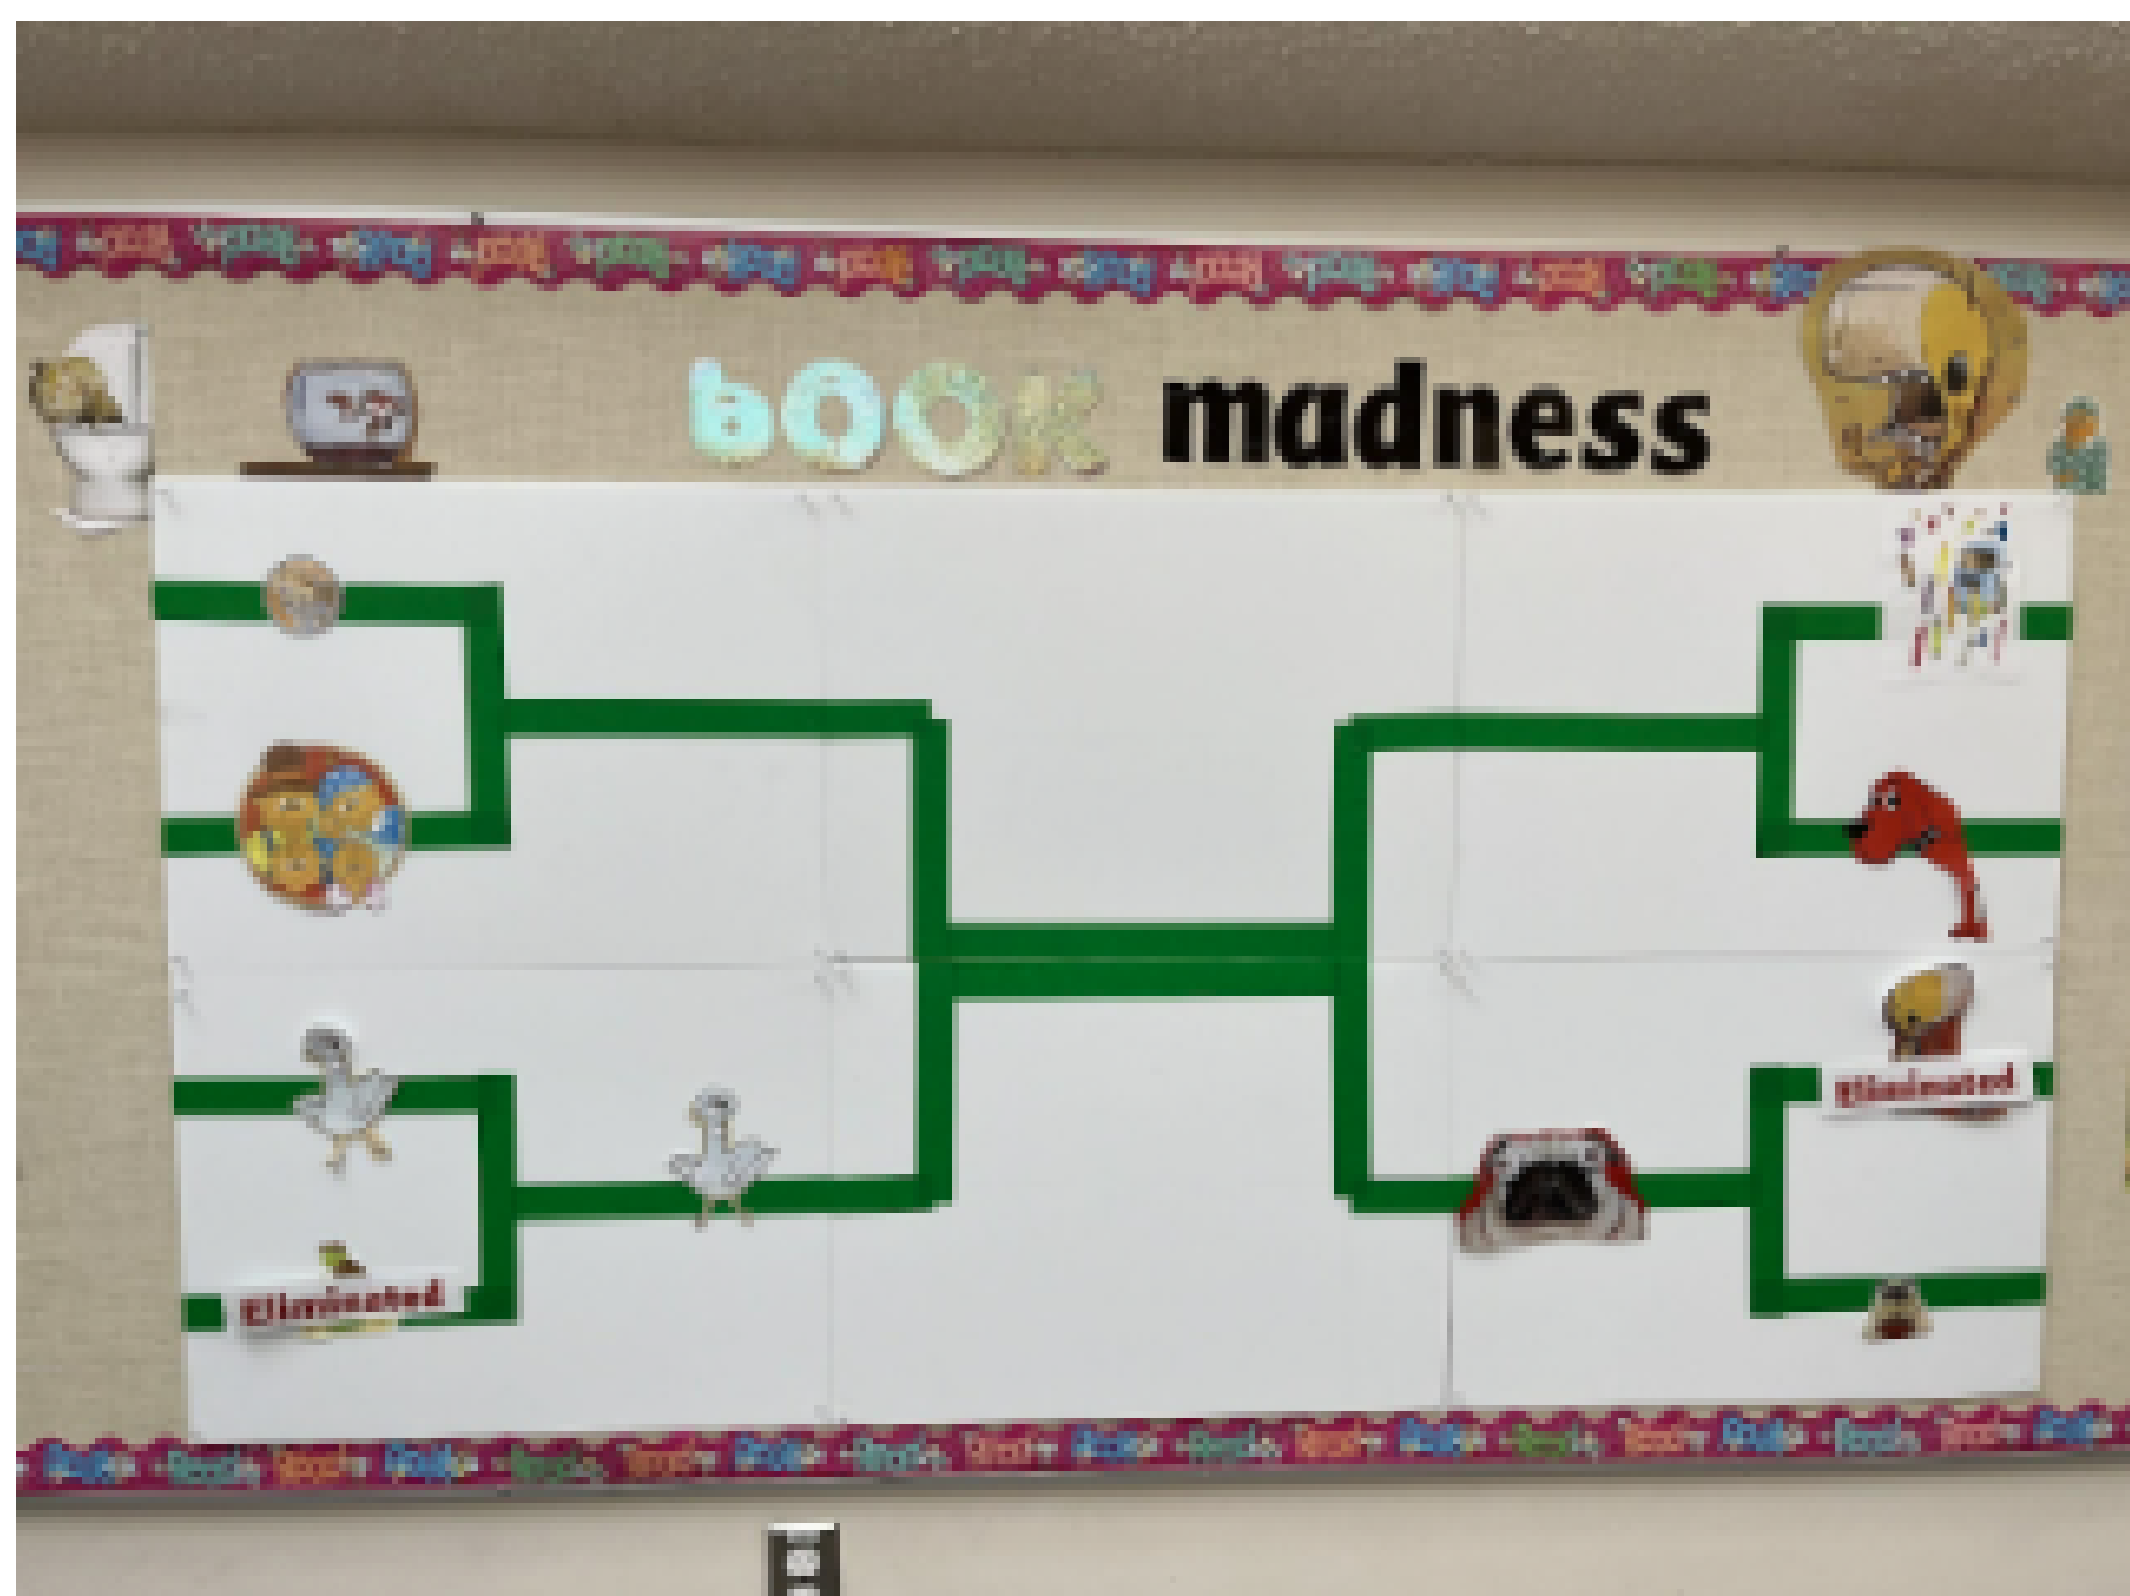

Who is the Favorite?

A Picture Book Competition

By Amelia Scheidegger

In a competition to see what the favorite picture book is, the EEO librarian Mrs. Mundt has set up a vote called 'Book Madness'. The contestants are: Clifford the Big Red Dog, Franklin, The Pigeon Wants a Puppy, We don't eat our classmates [Penelope], Pig the Pug, The Berenstain Bears, the Crayons and Scaredy Squirrel. She will read each class two books and have them vote on their favorite. So far, she has had us vote on Penelope or Pig the Pug and Franklin or the Pigeon. Each week, Mrs. Mundt will read every class the two books and let them vote by placing a bead in their choice's jar. So far, Pig the Pug and The Pigeon have won. Only time will tell who will win the entire competition. For further updates, go to the library.

The library's bulletin board, showing the progress of the competition.

Franklin and Penelope have been eliminated and the Crayons and Clifford are being voted on. After one of them wins, that one will move up.

Next, The Berenstain Bears and Scaredy Squirrel will be voted on.

Wisdom

The Beaver Teaches Us Wisdom

**WISDOM IS THE ABILITY TO MAKE DECISIONS
BASED ON PERSONAL KNOWLEDGE AND EXPERIENCE.**

The building of a community is entirely dependent on gifts given to each member by the creator and how these gifts are used. The Beaver's example of using his sharp teeth for cutting trees and branches to build his dams and lodges expresses this teaching. If he did not use his teeth, the teeth would continue to grow until they became useless, ultimately making it impossible for him to sustain himself. The same

can be said for human beings. One's spirit will grow weak if it is not fulfilling its use. When used properly however, these gifts contribute to the development of a peaceful and healthy community.
